WEEK OF DECEMBER 7th.

#### GREAT MAGNITUDE. BARGAINS OF

Monday we start another week of unusual activity and record breaking of sales, which has been the order for many weeks-last year's or last week's record is not good enough for "The Big Store." Every energy is exerted at all times to increase its usefulness and elevate the standard of the store's service, as evidenced by the interesting news of to-day's showing, which will greatly increase the prestige of our new departments and compel the attention of the shrewdest buyers.

#### REMARKABLE BLACK SILK SALE NOW

IUST IN TIME FOR CHRISTMAS - A present for Mother, Sister or Sweetheart. Read this statement of cold facts: The entire stock on hand of one of Americas foremost manufacturers of (Corticelli Silk Mills) Fine Black Silks at an unusual discount. It is without question the LARGEST SILK PURCHASE over attempted in West Virginia. There are several hundred pieces, and only the extremely low prices tempted us. Come and see the wonderful display on our counters. 🤞 🎺 🎺 🎉

#### Our Toy Department is now Open, in Our Basement.

A PLACE WORTH VISITING. USE STAIRWAY. DOLLS, GAMES. ANIMALS, PLAY THINGS, FANCY GOODS.

Come in to see this magnificent display, and, of course, you will bring in the "wee folks" -it will be an indefinable and indescribable pleasure to them, and much they will see and show you that perhaps you overlooked. There is plenty to see, to admire, to enjoy and to please. Note the prices marked, they are irresistably attractive because of their littleness.

#### Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly
